Luxury Plan (Night)

Japanese tea has a history of 800 years. And Uji tea in Kyoto is particularly renowned as a high-grade tea production area.

This fall, we will hold a limited time event to experience the finest tangible and intangible culture in Uji, Kyoto. Let the Japanese tea culture stimulate your senses. There are three types of experience events.

We provide multilingual support (local information is available in English only) so that foreign visitors traveling in Japan can also enjoy the experience.

Enjoy Japanese culture more deeply.

The duration and venues vary from plan to plan, but it is possible to purchase more than one experience, You can also purchase more than one experience.
